Ok. I will state something along those lines in the email to the consulting parties.

I don't believe they had any issues. They knew it was going forward and didn't ask for any changes.

Are they fairly responsive? Blythe suggested that I add something to the email on whether the Navy has requested any changes to the PA. I was not aware of any requests, but thought I would check with you.

Not that I know of. Should I check?

Hello Ted,

Has the Navy requested any changes to the Honolulu Programmatic Agreement?

Thanks,

Liz
